

Free student sports physicals, concussion screenings and heart checks

Free sports physicals and baseline concussion screenings are available for middle school and high school students throughout Grosse Pointe and surrounding communities. Heart checks are only available to students 13 years and older, no exceptions.

Physicals are performed by Beaumont doctors with assistance from Beaumont specialists in physical therapy, sports medicine and cardiology.

MEET THE TEAM:

Joseph P. Femminino, M.D. – Physical Medicine and Rehabilitation, Beaumont Hospital, Grosse Pointe

Nikola Conrad, M.D., residents and staff – Beaumont Family Medicine Center, St. Clair Shores

Beaumont Cardiology department – Beaumont Hospital, Grosse Pointe

Erin Raymond, athletic trainer – Beaumont Health/University Liggett School
