SAT TESTING

All juniors will take the SAT on April 10th as part of the state assessment. Students can and should begin prepping for this exam by linking their PSAT scores to Khan Academy. This is not only FREE test prep, but it is the only test prep that Collegeboard (SAT) endorses. Talk to your (child's) counselor if you need more information. To link these two accounts, follow the directions on page two of this newsletter. The following link will also provide directions via YouTube: <https://www.youtube.com/watch?v=QIkCoQoZ21U>

ACT TESTING

The ACT is an optional college admissions test that is as valuable as the SAT. If you (your student) is planning on taking the ACT, you should sign up at <http://www.act.org/content/act/en/products-and-services/the-act.html> Eisenhower will host the October test date but all tests are offered at local high schools and colleges. The ACT is readily accepted at all colleges and universities as a required college admissions test. See your counselor with questions regarding this test and/or test prep options available.
