## POWERSCHOOL MOBILE APP

There is a PowerSchool Mobile app which is available for free. You will need the UCS District Code “NKDJ” to complete the installation process along with your PowerSchool username and password. **Parents must create a user friendly username and password from the UCS district issued Access ID and password before installing the PowerSchool Mobile App.**

A great feature of the PowerSchool Mobile app is the dashboard. The Dashboard shows current classes, grades, assignments, attendance, and more (lists a variety of other screens, including announcements and settings).

**TO INSTALL POWERSCHOOL MOBILE APP, YOU WILL NEED:**

1. UCS DISTRICT CODE
2. USERNAME
3. PASSWORD

Tap any **Course** to see more details about it.

Tap any **Grade** to see more details about it including assignments.

You can also tap **Assignments** on the Dashboard. Assignments are sorted by due dates.

You can also tap **Attendance** on the Dashboard. Attendance lists absences by date.

Tap the > next to teacher's name to see the teacher's email address.

Tap the > next to the email address to email the teacher.

If you tap **More**, a list of a variety of other screens displays, including:

- Announcements** screen:
  - Swipe to the left to view the next announcement.
  - # of announcements indicated by dots at the bottom of the screen.
- Settings** screen includes FAQs about the app.

Additional screens shown include: Activities, Email Alerts, Live Feed, Summaries, Announcements, Calendar, School Map, Settings, Help Center, Logout, Attendance Codes, and System Logs.
